

## Academic Calendar

Date	Program Type	Program Name	Duration
03-02-2025	Internship	Advanced Molecular Biology Techniques	1 Month
08-02-2025	Workshop	Molecular Biology Techniques	1 Day
10-02-2025	Add on Course	Certificate Course in Cancer Genomics and Precision Oncology	30 hrs
03-03-2025	Internship	Advanced Molecular Biology Techniques	1 Month
08-03-2025	Workshop	Molecular Biology Techniques	1 Day
10-03-2025	Add on Course	Certificate Course in Advanced Molecular Biology Techniques on Prenatal Genetics and Diagnosis	30 hrs
03-04-2025	Internship	Advanced Molecular Biology Techniques	1 Month
10-04-2025	Add on Course	Certificate Course in Development of Molecular Markers for Infectious Disease Diagnosis	30 hrs
12-04-2025	Workshop	Molecular Biology Techniques	1 Day
26-04-2025	Workshop	Molecular Biology Techniques	1 Day
02-05-2025	Internship	Advanced Molecular Biology Techniques	1 Month
10-05-2025	Workshop	Molecular Biology Techniques	1 Day
12-05-2025	Add on Course	Certificate Course on Core Techniques used in Molecular Genetics	30 hrs
24-05-2025	Workshop	Molecular Biology Techniques	1 Day
09-06-2025	Add on Course	Certificate Course in Cancer Genomics and Precision Oncology	30 hrs
14-06-2025	Workshop	Molecular Biology Techniques	1 Day
23-06-2025	Add on Course	Certificate Course in Clinical Microbiology and Metagenomics	30 hrs
02-07-2025	Add on Course	Certificate Course in Advanced Molecular Biology Techniques on Prenatal Genetics and Diagnosis	30 hrs
12-07-2025	Workshop	Molecular Biology Techniques	1 Day
14-07-2025	Add on Course	Certificate Course in Molecular Application on Forensic Science	30 hrs
28-07-2025	Add on Course	Certificate Course on Core Techniques used in Molecular Genetics	30 hrs
04-08-2025	Add on Course	Certificate Course in Development of Molecular Markers for Infectious Disease Diagnosis	30 hrs
09-08-2025	Workshop	Molecular Biology Techniques	1 Day
11-08-2025	Add on Course	Certificate Course in Molecular Applications in Food Safety and Quality Analysis	30 hrs

### Academic Calendar

Date	Program Type	Program Name	Duration
25-08-2025	Add on Course	14)Certificate Course in Molecular Markers used in Plant Genomics	30 hrs
